Re: Permit No. U.W. 93179

Dear Appropriator:

The required forms relative to the above referenced Ground Water Permit have been received and made a matter of record in this office. Copies of the recorded forms are available upon request. Please indicate the Permit Number when requesting copies of the recorded forms.

A valid water right has been established and completed under this permit.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard G. Stockdale".
